- ☒ Network encryption protocols
- ☐ Social engineering attacks

This answer is correct.

Question 5

10 / 10 pts

How does operational control have to be legally demonstrated to prove attribution?

- ☐ The controlling State must have ideological alignment with the non-State actor.
- ☒ The controlling State directly, technically, or tactically enabled the non-State actor.
- ☐ The controlling State must provide financial support to the non-State actor.
- ☐ Operational control must be acknowledged through public statements by the controlling State.

This answer is correct.

Question 6

10 / 10 pts

Which of the following are roles and responsibilities of all functional and geographic Combatant Commanders?

- ☐ In coordination with USCYBERCOM, orchestrate planning efforts, designate the desired effects, and determine the timing and tempo for Cyberspace Operations conducted in support of their missions.
- ☐ Serve as a focal point for in-theater DODIN operations that integrate multinational partners.
- ☒ All of the answers are correct.

This answer is correct. In Joint Pub 3-12, all of the answers are part of the roles and responsibilities of combatant commanders outside of USCYBERCOM. (Source: JP 3-12)

✓ Quiz submitted

- ☐ Secure, operate, and defend tactical and constructed DODIN segments within their commands and AORs.

Question 7

10 / 10 pts

According to Liebetrau, what aspect of European strategic policy should be reviewed and modified?

- ☒ Moving beyond the current standstill and design strategic solutions to prevent, discourage, and respond to cyber incidents.
- ☐ Strengthening international cyber cooperation agreements.
- ☐ Enhancing diplomatic efforts to address cyber threats.
- ☐ Investing in advanced cybersecurity technologies.

This answer is correct.

Question 8

10 / 10 pts

According to Gen Michael Hayden's article, "The Future of Things Cyber," he believes now is the time to think about and force some issues that have been unresolved for too long. From the answers below, summarize which query is one of these issues.

- ☒ What constitutes the right of self-defense?

This answer is correct. In "The Future of Things Cyber," by Gen Michael Hayden, he says that the question, "What constitutes the right of self-defense?" is one of the unresolved cyber issues. (Source: Hayden, p. 3)

- ☐ Isn't cyber deterrence impossible?
- ☐ Does unclear communication begin with fuzzy thinking?
- ☐ What should we expect from the military?

Question 9

10 / 10 pts

Which statement by General Paul Nakasone reflects the alignment with the strategic shift in US cyber policy?

- ☐ "Our focus remains primarily on deterrence rather than active cyber engagement."

- ☒ "We evolved its strategic concept a
- ☐ "We have established a task force
- ☐ "We prioritize defensive cybersecurity measures over offensive capabilities."

✓ Quiz submitted

This answer is correct.

Question 10

10 / 10 pts

According to General Hayden, what is a crucial question that needs to be asked when assessing cybersecurity threats?

- ☐ Who is responsible for the recent cyber incidents?
- ☐ How can we prevent future attacks from occurring?
- ☒ Do we really know the threat?
- ☐ What are the immediate impacts of the cyber threats?

This answer is correct.
